## Non-Owned Aircraft Insurance Requirements

Insurance is required for all rental customers and training customers when using the aircraft for solo flight. Proof of insurance must be on file with us prior to rental or solo flight.

The MINIMUM required liability limits for Renter's Insurance Coverage are as follows:

- **Bodily Injury and Property Damage:** \$250,000 per occurrence limited to \$25,000 per passenger
- **Physical Aircraft Damage:** \$25,000 per non-owned aircraft

We have provided a recommendation and contact below for Wings Insurance:
